## Free Tutoring for Your Child

September 12, 2011

Dear Parent/Guardian,

Help your child succeed in school – sign up for free tutoring!

Because of the *No Child Left Behind* funding, your child can receive extra help in reading and mathematics. You can receive this free tutoring because your child's school is in its second year or later of *School Improvement*, and your family meets the income limits under the law.

*School Improvement* means your school did not meet Ohio's goals in reading, mathematics, attendance or graduation for two years in a row or more. Your child's school has been identified for improvement because it has not made Adequate Yearly Progress on Ohio's Achievement Tests for at least three years in a row. The district report card that was sent home in August shows how your child's school compares to other schools in our district and state.

Columbus Humanities will address these areas by offering professional development, researching new reform models and targeting student instruction. You are invited to join us, to serve on a committee or to help us in other ways to accomplish this goal. If interested please contact Mrs. Burke at [gburke@columbushumanitiesata.org](mailto:gburke@columbushumanitiesata.org).

You can now choose a free tutoring program that is best for your child. The district will provide assistance in selecting an approved provider, if requested. A list of approved tutoring programs that wish to offer free tutoring to your child is enclosed, and can also be viewed at: [http://webapp1.ode.state.oh.us/provider\\_proposal/lookup/](http://webapp1.ode.state.oh.us/provider_proposal/lookup/). These programs have been approved by the Ohio Department of Education and will provide your child with tutoring that is coordinated with what is being taught in your child's school. The availability of this free tutoring may be limited.

Please call Kerry Martinez at 614-261-1200 if you have any questions about these services. **Applications are due by September 19, 2011.** You will receive a letter from the Columbus Humanities Arts and Technology Academy by September 26, 2011 telling you when the free tutoring will start.

Thank you.  
Glenna Burke
