## Note from the Head of School

The PARCC testing begins Monday, February 23 through Friday, February 27 for grades 3 through 8.

Below are some helpful suggestions for parents and guardians to help your student be successful on the test:

### The night before:

- ◇ Help your child get to bed on time. Research shows that being well-rested helps students do better.
- ◇ Keep your routine as normal as possible.
- ◇ Mention the test to show you're interested, but don't dwell on it.
- ◇ Plan to avoid conflicts on the morning of the test.

### The morning of the test:

- ◇ Get up early to avoid rushing. Be sure to have your child at school on time.
- ◇ Have your child eat a good breakfast but not a heavy one.
- ◇ Be positive about the test. Explain that doing your best is what counts.
