## Note from the Head of School

### New Ohio Test Information Night —

To help prepare your children for the upcoming new state tests, we are hosting a

#### PARCC INFORMATION OPEN HOUSE January 27 from 5:45 to 7:15 pm

Our Administration will be on hand to explain the format, purpose, and timeline for the new tests, *then* we will break into grade level groups to get more focused help specifically for your child's grade. We will then meet together to eat a free dinner provided by Columbus Humanities.

In addition to providing free test preparation materials, we will offer an actual practice test that you can take home to use to help prepare your child. We will share the most successful hints and tips to help you to prepare your child at home, and together we will work to make sure that every student passes their state test this year.

We look forward to seeing you there!
